

Due to the impact of the Coronavirus, many households in Rhinebeck and surrounding areas will experience critical food shortages. We will see lost jobs and income, especially for hourly workers who may not have access to emergency funds.

What We Are Doing

Rhinebeck Fire Department and Northern Dutchess Paramedics have teamed-up with the well-established Jayne Brooks Food Pantry at the Church of Messiah in Rhinebeck to bring non-perishable food items to those most in need in our area.

We will be delivering food at the Church of the Messiah (6436 Montgomery Street in Rhinebeck) on Saturdays from 10am to 1pm.

People showing up to receive food will remain anonymous, and we are implementing safeguards to reduce contact between the providers and the recipients.

What You Can Do

Help our neighbors in need gain access to food staples, and prevent them from going hungry.

A \$20 donation to the Jayne Brooks Food Pantry provides a package of staples to a household of two people*.
